

Come Together

AUDIO INFORMATION

The deCoste is equipped with a high-quality sound system and a range of microphones, DIs, and associated accessories. Analog snakes from the stage to the mixing position (house-left, at the back of the auditorium) provide for 32 channels of input, and 16 output mixes.

A cable trough is built into the front 2' of the stage, with enough room to run cable, sink monitors, and place footlights.
