Sponsorships

We are excited to bring another vibrant summer of entertainment and festivities to the Pictou waterfront. This series is a collaboration between the deCoste Performing Arts Centre, the Town of Pictou, the Pictou Lobster Carnival, and other community partners.

The support from our sponsors and funders enables us to transform 27 Creighton Street into the 'Caladh Marquee,' a unique space where locals and visitors can enjoy Maritime hospitality and incredible performances. The tent will host live musical events, community events, vendors, play structures, art installations, washrooms, and seating along the water's edge. Aside from the deCoste performances, which will have a reasonable ticket price, most Town of Pictou hosted summer concerts will have NO ADMISSION for attendees. However, shows at the Marquee Mainstage, tickets must be booked through the deCoste website to access seating under the tent. Donations are welcome to help offset the cost of the entertainment for the Town and Lobster Carnival hosted shows, and can be made when booking your ticket online at decostecentre.ca or through the deCoste Centre box office at (902)485-8848 or at the door via a cash donation.

We thank all our sponsors and funding partners for their support in making this summer one to remember.

From the deCoste Team

Hello friends. We are thrilled to once again partner with the Town of Pictou on an exciting summer concert series on the waterfront. Last year we welcomed over 10,000 music lovers to the Caladh Marquee tent, a very impressive venue. Once again, in the spirit of broad access and inclusivity, there are many complimentary shows to take in. Additionally, some concerts are 'by donation' with funds going to not-for-profit community partners like the Pictou Lobster Carnival. We, at the deCoste, will be presenting 9 ticketed 'Mainstage Concerts'. With shows like Matt Minglewood and the Barra MacNeils taking to the stage, we expect tickets to sell fast. Don't hesitate too long.

While the summer concerts and events roll along at the Caladh Marquee and waterfront event site, we will be finishing construction and preparing the deCoste for a much-anticipated reopening. We are planning a great fall line-up to kick off this next chapter, so watch for show announcements and our souvenir fall program. This is history being made, and we can't wait to welcome you through the doors to see the magic we, the Pictou Antigonish Regional Library team and our construction partners have been creating.

Thank you for supporting live performance and your fierce dedication to the deCoste through the COVID crisis and over two years of construction. It will be all worth it when we open Atlantic Canada's most innovative cultural facility.

See you soon at a show.

7 Amazing ways to explore the Northumberland Strait from Pictou's doorstep.

The Northumberland Strait is a tidal body of water between PEI and the coast of northern Nova Scotia. The Strait's shallow depths lend to warm water and is reportedly home to the warmest ocean water north of the Carolinas. For locals, the Strait is a way of life and home to a thriving commercial fishery. In the summer, locals flock to its sandy beaches, sail to its picturesque coves, and sport fish from local wharfs and shorelines. Here's seven ways you can enjoy the Northumberland Strait right from Pictou's doorstep.

1. Go Beach Hopping

Take your pick from almost a dozen easily accessed Northumberland Shore beaches within 30 minutes of Pictou. Provincial park beaches include Caribou/Munroe's Island, Melmerby Beach, and Waterside Beach. Don't forget to explore beaches off the beaten path like Lighthouse Beach located in the community of Pictou Landing First Nation, and Cove Road Beach in scenic Cape John.

2. Pedal or Paddle Pictou Harbour

Rent an inflatable kayak or a pedal boat and explore the Pictou Harbour shoreline. The Pictou waterfront staff will provide you a safety briefing, tutorial, life vest and a map for a safe voyage. (hectorquaymarina.com)

3. Discover the Strait in a Lobster Boat

At the end of fishing season, lobster fishermen transform their boats into pleasure crafts, and spend summer days sailing to sandy coves for swimming, mackerel fishing, sand bar exploring, and beach picnics. They welcome you to become apart of their traditions on a Discover The Strait boat tour. (discoverthestrat.com)

4. Fish for Stripers at Sunset

Experience guided fishing for Atlantic Striped Bass on the beautiful beaches and shorelines of the Northumberland Strait. Whether you're a first timer or an experienced angler, there is no bad day of Striped Bass fishing with Stripers of The Strait. (stripersofthestrat.com)

5. Meet the Seals

Hop aboard Captain Chris's pontoon boat for a 90 minute cruise and an up-close and personal experience with harbour seals in their natural setting. Along the way, Chris will share local history and stunning scenery. Book a tour with Nova Scotia Family Fun Boat Tours. (nsboatours.square.site)

6. Cruise or Stroll the Jitney Trail

Located on the Pictou waterfront, walkers and cyclists can enjoy a 3 km trail that leads to the site where the ship Hector made its historic landing in 1773. Cruiser bikes are available for rent at the Love Local Vendor Village, not far from the trail head.

7. Take a ferry to Pictou Island

For over 100 years, the Pictou Island Ferry has transported islanders and visitors across the 7.5 km crossing from Caribou Wharf on the mainland to Pictou Island. Visitors to Pictou Island can enjoy unpopulated beaches, hiking trails, wildlife, and stunning views. Rentable cruiser bikes on the island will get you where you want to go. Take a day trip, camp or stay in a bed and breakfast. Book your ferry crossing with Pictou Island Charters. (pictouislandcharters.ca)
